OBJECTIVE

To work hard with full dedication for the achievement of organization objective under satisfying job contract, hence enhancing my skill, knowledge, and ready to learn new things

EDUCATION

B.E. (Information Technology) | Institute of Engineering and Technology, DAVV

2015-2019

6.81 CGPA

Intermediate | City Central School, Bhind (CBSE)

2015

68.4 Percentage

EXPERIENCE

Project Engineer | WIPRO

2019 – 2021

Works as application support engineer and automation engineer. I have worked for 1.5 year in core java in my previous project where my task is to automate the usecases(access control) with the help of java technologies(selenium, apache api). My skills are java. Recently I have completed Spring Boot training in that, I have completed one capstone project where my task is to build APIs and perform CRUD operation on that. I have also used JPA to connect to h2 database and perform ManyToMany mapping between different tables.
